

What is claimed is:

2. An apron for protecting the chest, legs, and feet, said apron comprising:
a bib;
leg panels connected to the bib; and
foot covers connected to the leg panels.
3. The apron of claim 2, further comprising:
adjustable straps connected to the bib and leg panels.
4. The apron of claim 3, wherein the adjustable straps attach to form a neck strap, a waist strap, thigh straps, and ankle straps.
5. The apron of claim 4, wherein the adjustable straps attach by buckles.
6. The apron of claim 4, wherein the adjustable straps attach by tying.
7. The apron of claim 2, further comprising:
straps connected to the feet panels.
8. The apron of claim 2, further comprising:
adjustable straps connected to the bib and leg panels.
9. The apron of claim 2, wherein the apron is made of vinyl.
10. The apron of claim 2, wherein the apron is made of canvas.
11. The apron of claim 2, wherein the apron is disposable.
12. The apron of claim 2, further comprising:
a pocket attached to the bib.
13. The apron of claim 2, further comprising:
a tool loop attached to the bib.
14. The apron of claim 2, further comprising:

a pencil holder attached to the bib.

15. The apron of claim 2, wherein the apron has a design on the bib.
